AGENCY360 supports Dress for Success at a Benefit Soiree with a silent auction

San Francisco, November 29, 2007 – AGENCY360, a wholly women-owned recruiting Firm in North Beach celebrated the season of giving with a festive soiree benefiting Dress for Success – San Francisco. The party was held at Francis Ford Coppola’s restaurant, Café Zoetrope where guests who consisted of the agency’s fortune 500 clients enjoyed scrumptious food and wine and placed their bids on variety of items donated by local merchants and benevolent private contributors.

“So much of what we do on a daily basis as recruiters parallels the work of Dress for Success with the exception that their work benefits the less privileged clients. It is a great honor to dedicate this season of giving to their cause and we are very proud to be a part of their mission.” Said Katherine Yee – Principal at AGENCY360.

“The other parallel is of course the fact that we are a 100% women owned business and our support of Dress for Success is really an organic gesture and we plan on continuing our sponsorship of their organization throughout the year with many other creative grassroots efforts.” Adds Jennifer Burton – Principal at AGENCY360.

AGENCY360 raised over \$3,000 in cash from the proceeds of the silent Auction on November 29th.
